

WELCOME TO YOUR INTELLIGENT WORLD

With just a tap on your smartphone, dim your lights, have your coffee brewed or turn off the heater from anywhere. Or set schedules for everything and you wont need to do anything at all. Spend omre time doing the things you love. How smart is that?

- REMOTE AND LOCAL ACCESS**
Control your appliances and lighting from your mobile device with the free Ozaas Smart App.
- SET SCHEDULES & TIMERS**
Schedule just about anything: Lighting, heaters, coffee maker and more!
- CUSTOMIZE SCENES**
Going to bed? One tap on the 'Good Night' scene can adjust the temperature and turn off the lights.
- SHARE CONTROL**
Grant access to your friends and family to control your devices from anywhere, anytime.

Create personalized scenes and control multiple devices with a schedule, a tap or a single Alexa voice command that activates pre-set scenes.

OZAAS SMART SWITCHES

Save energy the smart way. Elegantly designed Ozaas Smart switches help you control and manage your lighting with just a tap.

CONTROL YOUR LIGHTING & APPLIANCES FROM ANYWHERE
Now you can control your lights from anywhere, anytime using your smartphone or tablet.

APPEAR TO ALWAYS BE AT HOME.
Ozaas Smart Switches can be preset to turn itself on and off randomly. This is for creating "someone is home" effect.

SET SCHEDULES & TIMERS FOR YOUR SWITCHES
Create your scenarios to suit your lifestyle. You can even schedule different lights to come on at different times, or have the room temperature changed at different times of the day.

NO WORRIES, COMPLETE PEACE OF MIND
Now you can turn the lights off as you run out the door. Create a personalised 'Away mode' thats ensure your lights are turned off when you're away.

CUSTOMIZE SCENES FOR YOUR SWITCHES
Set a 'morning' scene to have specific lights turn on in the morning or 'away'

OZAAS SMART PLUGS

Easy to use Ozaas Smart plugs allow you to control and manage your home appliances from anywhere, anytime to give you even greater control and energy savings.

CONTROL YOUR LIGHTING & APPLIANCES FROM ANYWHERE
Now you can control your lamps and appliances from anywhere, anytime using your smartphone or tablet.

MAKE YOUR APPLIANCES SMART
Plug in ordinary appliances you want to control into the Ozaas smart plug and use your smart phone to control them. Its that simple.

CREATE SCENES FOR AUTOMATIC ACTIONS
It's easy to create schedules to turn your appliances on and off. The options to control and automate your appliances are endless.

NO WORRIES, COMPLETE PEACE OF MIND
Now you can turn appliances off as you run out the door. You can turn off the coffee maker, iron box, television remotely via your smartphone.

SMART PLUGS CAN SAVE YOU MONEY
Monitor your energy use and save money. Smart plugs help you operate your appliances only when in use saving you on your energy bills.

OZAAS SMART BULBS

Choose from +16 Million colours - Cool light to energize you in the morning, warm light to promote sleep at night or bring a party to life with multiple colour party mode. And every colour is dimmable.

CONTROL YOUR LIGHTING FROM ANYWHERE
Now you can control your lamps and lighting from anywhere, anytime using your smartphone or tablet.

TURN YOUR LIGHTING INTO SMART LIGHTING
Instantly choose from 16 million colours and 100 shades of white light. You can control it all through an app on your smartphone, tablet, or Amazon Alexa

SAVE SIGNIFICANTLY ON YOUR ENERGY BILLS
Ozaas Smart Bulbs are more energy efficient than standard bulbs and last for up to 50,000 hours. Now every colour is green!

APPEAR TO ALWAYS BE AT HOME, EVEN WHEN YOU'RE NOT
A great home security feature. You can set your lights to vacation or away mode so it appears that you're home when you're not.

SET SCHEDULES, TIMER OR CREATE SCENES BY GROUPING BULBS
Save your favorite settings as scenes in Ozaas Smart app, schedule lights to turn on at certain times or set timers for your lights
